

Certified All-Natural River Rock Hardscape Collection

About the Stone

The stones featured in this collection are sourced from a natural deposit near a creek in the mountains of Southwest Virginia. This deposit offers a variety of naturally round & smooth river rock, pea gravel, landscaping boulders, and more.

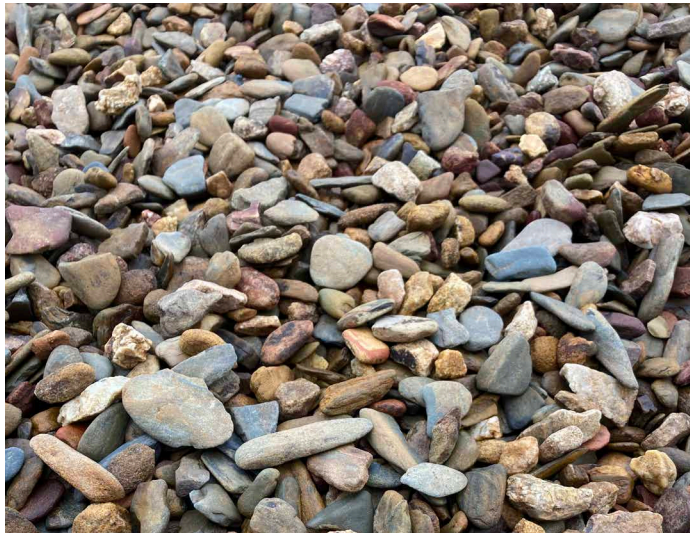

This stone is sold by the ton and we strive to meet your project needs for color, size, and types of stone.

Stone Examples

Below are some examples of stone types, colors, and choices for your project.

Special Notes

Let us know if you have any special requirements, color preferences, etc. below

Disclaimer

Our stone is sold by the ton, so meeting specific color & mixture requirements is not always possible. Imperial mixes tend to have more blues, greys, and reds, while we also have more solid sand and grey heavy mixes.
